MEDAL AWARDS & ENDOWMENT LECTURE INSTITUTED BY THE ASSOCIATION

Two Gold Medals are awarded every year to distinguished Life Members of the Association for his/her valuable contributions to the field of Angiosperm Taxonomy as well as in recognition of his/her efforts for the development of Angiosperm Taxonomy in India. The medals are instituted with the endowments received by the Association exclusively for this purpose. The expenditure towards the Gold Medals is met from the interest accrued on the endowment amount deposited in a bank under fixed deposit scheme.

The Secretary invites nominations along with bio-data of the nominees for each medal from the members of the Executive Council. The nominations would be placed at the meeting of the Executive Council for scrutiny and the name of the eligible nominee for each medal is recommended for the award. The names of the so recommended shall be announced and approved at the meeting of the Annual General Body held during the Annual Conference of the Association, and the medals shall be awarded during the next annual conference. The medals are awarded usually at the inaugural day of the Annual Conference and the recipients after receiving the medals deliver special medallecture.

1. Professor Y.D. Tiagi Gold Medal

Professor Y.D. Tiagi Gold Medal was instituted in the year 1995 with the endowment Rs. 20,000/- by the Y.D. Tiagi Felicitation Committee on his retirement as Professor and Head of the Department of Botany, University of Rajasthan. This medal is awarded to a distinguished senior Indian Life Member of the Association especially in recognition of his life-term contribution in the field of Angiosperm Taxonomy, and for strengthening the

discipline of Angiosperm Taxonomy in India.

The following Life members have been honoured with this medal:

Sl. No.	Year of Award	Recipient

AWARD OF CERTIFICATES OF MERIT AND CASH PRIZES

The following awards have been instituted by the Association with the objective of encouraging active researchers especially in the field of Angiosperm Taxonomy. The awards are given every year for the best papers presented on various aspects at the seminar accompanying the Annual Conference. An amount of Rs. 1,00,000/- for each award has been accepted from the proposer of the award and the amount would be deposited under fixed deposit scheme in a bank. The winner of each award shall be given a Certificate of Merit and a cash prize of Rs. 2000/- out of the interest accrued on the deposit.

There shall be separate sessions for the competitions for various awards and the papers for competitions should be separately marked while sending to the Organizing Secretary of the Seminar with proof of age from the head of the institution of the contestant. The IAAT membership (life/ordinary/student) is mandatory for presenting papers in IAAT conferences. Fee can be paid at any time in the respective year, but before the last date of registration to the upcoming conference. Minimum number of contestants for each award shall be two and in the absence of the minimum number, no competition shall be held and no awards given. The presentation of the papers shall be adjudged by a committee constituted exclusively for the purpose. The winners of the best presentations shall be given awards at the valedictory function of the Annual Conference.

A person who has won a particular award shall not be eligible to contest in the competition for the same award in future. However, he/she shall compete for other awards instituted by the Association.

1. Prof. A. K. Pandey Award for revisionary studies

This award is instituted in 2023 with the donation by Prof. A.K. Pandey. The application along with extended abstract and biodata should reach the Secretary, Headquarters on or before the last date of registration to the forthcoming conference. The selection will be conducted by an expert committee constituted by the Secretary (HQ). The same will be intimated to the awardee by one month before by mail for presentation in the forthcoming annual conference of IAAT.

Guidelines

- a. The upper age limit for the award is 65 years as on 1 January of the respective year.
- b. Should have publication in revisionary studies.
- c. Should be a life member of the association.
- d. Should be a Ph.D. holder in a subject related to Angiosperm Taxonomy.

2. Prof. Santhosh Nampy IAAT Young Scientist Award

This award is instituted in 2023 with the donation by Prof. Santhosh Nampy. The application along with extended abstract and biodata should reach the Secretary, Headquarters on or before the last date of registration to the forthcoming conference. The preliminary screening will be conducted by an expert committee constituted by the Secretary (HQ). Best three papers (maximum) will be selected by the screening committee for final presentation. The same will be intimated to the selected candidates by one month before by mail for presentation in the forthcoming annual conference of IAAT for the final selection of the awardee.

Guidelines for the award

- a. The upper age limit for the award is 35 years as on 1 January of the respective year.
- b. Should be a life member of the association.
- c. Should be a Ph.D. holder in a subject related to Angiosperm Taxonomy.

3. Prof. A.K. Pradeep Award

This award is instituted in 2023 by his students for students below the age of 28 years.

4. Prof. R.S. Rao Award

This award is instituted in 1996 with the donation made by Prof. R.S. Rao for the best paper in Biodiversity Conservation (Angiosperms). The upper age limit for the award is 32 years.

5. Prof. K.S. Manilal Award

This award is instituted in 1997 with the donation made by Prof. K.S. Manilal for the best paper in Floristics (including description of new species and new distributional reports). The upper age limit for the award is 32 years.

6. Prof. T.R. Sahu Award

This award is instituted in 1997 with the donation made by Prof. T.R. Sahu for the best paper in Medicinal Plants Systematics. The upper age limit for the award is 32 years.

7. Prof. S.R. Yadav Award

This award is instituted in 1998 with the donation made by Prof. S.R. Yadav for the best paper poster presentation. The upper age limit for the award is 32 years.

8. Fr. Antony Mukkath - K. S. Manilal Award

This award is instituted in 2004 with the donation made by Prof. K.S. Manilal for the best paper in Modern Techniques in Plant Taxonomy. The upper age limit for the award is 32 years.

9. SM & MR Almeida Award in Plant Nomenclature

This award is instituted in 2023 with the donation made by Dr. Suchandra Datta for the best paper in plant nomenclature. The upper age limit for the award is 32 years.

10. Prof. M. Sabu Award

This award was instituted in 2006 with the donation made by Prof. M. Sabu for the best paper in Angiosperm Taxonomy presented exclusively by teachers and scientists. The upper age limit for the award is 45 years.
